# UL 360 ESG Disclosures Module

**Sustainability management software**

## Introducing a simpler CDP reporting process

Preparing your CDP disclosure represents a lot of detail oriented groundwork for your employees. The ESG Disclosures module streamlines CDP reporting, saving you time while improving the quality of your CDP disclosure.

With the ESG Disclosures module, you can:

- Access your CDP questionnaire
- Seamlessly populate your CDP questionnaire with your data
- Route questionnaire for internal review
- Transfer your questionnaire to the CDP portal for a final review and submission

## Key benefits and features

- Manage disclosure tasks in one central system — Conveniently access, prepare, review and approve your CDP questionnaire within the ESG Disclosures module.
- Leverage your data in the module — Populate numeric questions with data already collected or imported into UL 360.
- Refresh values on demand — Ensures your data is up-to-date.
- Transfer completed questionnaire to CDP Online Response System — No more copying and pasting between systems.
